Without development of rural India, it is not possible to make India as self-relevance country. The main objective of the said mission is to promote development of rural areas in tune with Gandhian vision of self-sufficient ‘village republics’ based on local resources and using decentralized, eco-friendly technology so that the basic needs of rural India are locally met. This mission is to enable higher educational institutes to work with peoples of rural India in identifying developmental challenges and evolving appropriate solution for accelerating sustainable growth.

The Guest of honour Dr. Pramod Padole has enlightened on the significance of Unnat Bharat Abhiyan with respect to development of rural economy, enhancement of employability in rural areas, issues related to the agriculture sectors and social reinforcement with the help of UBA & National Service Schemes units of respective institutions. Moreover, he has motivated to all participants for active involvement in socio economic development of rural India is especially Vidarbha region.
